Prize Giving Friday

Registration - \$10 A register shall be kept of membership.

Weekly Sub - \$5

Pay to your collector in multiples of \$20. Annual Cost \$250.

Commencing - Saturday 11th January and continuing for 49 weeks.

(1) Weekly Bets

Eight Punters will each spend \$20 on a bet that involves one horse, trotter or greyhound; ie Win & Place, Quinella, Trifecta, Treble, Double or a combination of any. Sports bets are allowed.

Winnings 50% to the Lucky Punter – 50% to the Punters Club.

If you double your stake, you bet again (Bonus Bet).

If your main selection is scratched after investing, the amount will be re-bet the following weekend.

(2) ALL UP WIN (2 horses)

Four Punters will each spend \$10 at any Meeting including Multis'.

The entry for this bet is on the bottom of the Weekly Entry Form.

(3) MILLIONAIRE BETS (2 horses)

Each week we draw three membership alleys. E.g. No. 9, No.38 and No.64. You then bet a \$20 All Up Win Multi. If successful the winnings are split 3 ways, Punters Club / Member / added to next Saturdays bet. E.g. the bet wins \$180. The split is then \$60 with the next weeks bet having a stake of \$80. The bet could possibly snowball into thousands.

(4) QUADDIE BET (Drawn)

One Punter will spend \$20 on any Race Meeting. If successful 10% of the Winnings will be added to the Stake for the following Saturday's Bet.

(5) BETTING ORDER

The \$20 Lucky Punter Bet is taken in ascending order of your Punters Number and the \$10 ALL UP WIN Bet in descending order. If they clash the \$10BET will be withheld until the \$20BET is completed. The \$20 Lucky Draw Bet is drawn by alley. The same will apply. In other words, you only have ONE available bet each week. The withheld BETS will follow.

Alphabet Competition

(a) The competition runs at the Saturday Premier meeting or the closest local meeting. On occasions the local meeting may take preference.

(b) Every Wednesday you will be drawn a letter A to Z.

(c) One point is scored for a win – Dead heats count as 1 point each

(d) The first person to reach 11 points is the winner. The first person to reach 10 points is deemed the Runner-Up unless they win. In that case the Runner-Up is the first person to reach the next highest number of points.

(e) Winner 75% - Runner-Up 25% of total pool.

(f) The Weekly pool jackpots \$20 per week until won.

(g) Running totals are displayed in the Punters folder.

(h) Nadine Bryson will organize weekly draws.

\$50 Weekly Picks

Entry forms are available in the TAB area. Place your entry in container before the first race. First: 5pts; Second 3pts; Third 2pts, Fourth 1pt.

If your selection is scratched your pick becomes the first top weight to start. If tied – the winner is drawn by lot.

\$50 Bet

After every five weeks of the picking competition – the punter who accumulates the best total will qualify for the \$50 bet of your choice.

If tied – the winner is drawn by lot. Winnings 50% to Lucky Punter – 50% to Punters Club.

Promotions

As the year progresses, we will endeavour to introduce new innovations. In some cases, this may mean an extra entry fee – but it is your choice.
